

**JIMMY'S LAWN & LANDSCAPING, LLC
53 KNORR ROAD
MONROE, CT 06468
(203) 268-4959**

Fall is right around the corner and as usual we are preparing for a short window for lawn treatments and other weather sensitive projects. Please send requests for aerating and seeding as soon as possible so we can get it done before it gets too late. Also, if you have any comments, suggestions or concerns with our service please fill out the comments section on the back of this form.

Once again, **JIMMY'S** will be doing fall clean-ups and snow plowing. If you are interested in a fall clean up or snow plowing, please take a minute to fill out the back of this form and return the form to us **as soon as possible** for scheduling purposes. **If we have done your clean up in the past years, we will assume we are doing it again this year unless we are notified in writing otherwise, but PLEASE send back your form...**

******Please return form even if no services are requested, for my records.**

******If you request no fall cleanup and your lawn needs to be cut, there will be a small charge to blow off the lawn so it can be cut.**

Please Note: If there are an abundance of nuts on your lawn, we will be picking them up in order to take care of the lawn properly. **There is an additional charge for this due to the extra time the guys spend raking.**

As in the past, anyone requesting a fall clean-up will have the leaves cleared from the lawn each time the lawn is cut. We will come through the yard 2 or 3 times - weather permitting. If we come through 1 time or 5 times, the cost is the same, as the work done is the same. Leaves in the shrubs will be removed when final clean-up is done.

Thank you,
Jim Forno
